

Squirrels

In Squirrels class we make learning fun. Individualised timetables ensure that all pupils make good progress. Pupils are encouraged to explore new sensory experiences. Independence is developed through the use of the TEACCH approach. A “total communication” approach including PEC’s, signalong and objects of reference helps pupils to interact meaningfully with adults and peers.

Autumn 2017

Panathlon

Squirrels class went to a Panathlon We had a great time. Here we are practising hitting a ball using a paddle and catching balls from a parachute to sort into the correct colour tray.

Halloween

Here we are carving pumpkins, exploring the Halloween sensory tray and stirring melted chocolate to put on a cone to make a witches hat in a Halloween session.
