The Woodlands Academy is a Special School that educates children aged 2 -16.

The Governors, management, staff and stakeholders at The Woodlands Academy all contribute to and share the ethos that underpins our school development. We understand the needs of our pupils and 'Strive' to meet them educationally and emotionally. The work involved is demanding physically and emotionally, it is also incredibly rewarding.

We live and work in a beautiful area of the country with beach and forest accessible in minutes; we use our community and wider environment to enrich the education of our pupils. We provide them with nurture and structure, this enables engagement and challenge. It takes a certain type of personality to successfully deliver the support and education we offer, we know from a wealth of experience that it is not easy and we have detailed support mechanisms in place for all new starters whether pupils or staff.

With all this in mind we are looking to recruit a caretaker to support in the school. Please see our candidate brochure on our website for further details.

For an informal discussion please contact the School Business Manager (Maurice Dobie) on: 01723 373260

This is an excellent opportunity to join a school that is friendly, supportive and committed to high standards of education and welfare for children.
