

Kestrel class promotes a positive and safe environment. We focus on building up our pupils' confidence as well as their independence.

In Kestrels class adults believe in pupil's abilities and strive to use positive reinforcement to encourage the pupils to reach their highest potential in a safe and stimulating environment.

Autumn 2017

Communication Group

We talked about what we need to do to work together as a good team. We then put these skills into practise, working together to build a den. One pupil suggested that as we didn't have lots of big sticks we could make a small den for the animals.

Catering

Pupils practised knife safety skills and weighing to make a vegetable pasta sauce.

Keeping Safe

A busy week in Kestrels class including a visit from a paramedic as part of our work on Keeping Safe
