

Robins

Robin's class aims to develop the independence, confidence and social skills of all our learners in a safe, enjoyable and stimulating environment. We value every child, getting to know them and how they learn to help them succeed in all aspects of school life, laying the foundations for them to become independent young people.

Autumn 2017

Communication
Group

With Christmas approaching, we have been focussing on kindness, friendship and celebrating each other's achievements. As a special treat we went out as a class to Irton Garden Centre to show how well we all get on together as a social group and also to practice communication and our money skills.
