

Our Camping trip 2017

We went on awesome camping trip and we did lots of things.

We learnt how to make a fire.

We learnt how to put up a tent/ tepee.

We learnt how to use the pizza oven.

We learnt how to use the shaving horse to make a wand and staff

We made sausage casserole in a pan with beans and bread.

We played UNO, DOBBLE, rounders, rugby and hide and seek.

We had 3 tents and we had to put hay under the tent to make nice and comfortable to sleep on we used sleeping bags and pillows. We went to bed at 10pm and we wake up at 6am (the teachers were very noise this time). We had eggy bread and bacon and sausages. We had to come home a day early because of the weather.

We all love going camping it brings us all together and it is sociable that's the fun part. Everything was awesome.
