## NEWS FROM OUR CLASSES

### Squirrels

This is a photo of us visiting Scarborough castle as a part of our 'the world around us' theme. We were looking at different landmarks and went to visit Scarborough castle.

We have also started horse riding again at Snainton Riding Centre.

### Badgers

We have been very busy over the last few weeks both in and out of school. We have been to have a look inside a real ambulance at the hospital. We have been getting the garden ready for planting, and have been horse riding at Snainton. We also visited the Market hall and the Vaults as part of our study of the local area

### Willows

This half term we have worked very hard and have all completed this years ASDAN successfully. We visited the Buddhist centre as part of our RE studies and have completed a six week St Johns Ambulance accredited first aid course which everyone really enjoyed.

### Robins

Robins Class have been learning about rivers in geography. To find out more about local rivers, they visited Scalby Village to see the source of Scalby Beck and then went to Scalby Mills to see the mouth of the beck, where it flows into the North Sea. They enjoyed their trip, learning about the Beck and also seeing local wildlife - ducks and geese on the village pond and a seal in the sea!

### Owls

We enjoyed a visit from [Ani Tselha], a Buddhist monk who spoke to us about the history and beliefs of her religion. We enjoyed exploring a box about Buddhism. We liked looking at all of the artefacts and tried to guess what they could be used for. After this, we had a visit from a Buddhist nun who told us more about Buddhism as a religion. We had great questions to ask her and she was very interesting.
