26 January 2022

Dear Parents

Further to our letter on 19 January 2022 regarding the reintroduction of blended learning, we have today reviewed our current situation in school.

School is still experiencing high absences, some are Covid related. We therefore would like to inform you that we will be continuing with the blended learning approach until February half term (18 February 2022).

I appreciate this may be challenging for some families and I am happy to have discussions on an individual basis. Our most important duty of course is to safeguard the wellbeing of all students and after discussing all options, we feel we currently do not have adequate staffing to operate at full capacity.

If you would like further discussions please do contact me on: michelle.hockham@woodlands.n-yorks.sch.uk or 07422 942 354.

Yours faithfully

M Hockham
